A Club Where Everyone Belongs

Our soccer club stands out as a true family-friendly haven. Whether you're a young aspiring player or a seasoned veteran, a parent cheering from the sidelines, or a coach guiding the next generation of athletes, there's a place for you here. The inclusive atmosphere ensures that everyone, regardless of age or skill level, feels welcomed and valued. Whether you're a passionate player, a dedicated parent, or simply someone who enjoys the thrill of soccer, our club welcomes you with open arms. Join us in celebrating the spirit of sportsmanship, teamwork, and friendship. Together, let's continue to make our local soccer club a place where families thrive, and dreams take flight.

Clubs provide a unique platform where like-minded individuals come together, sharing passions, ideas, and experiences. It's a chance to break free from the routine, to learn new skills, and to embrace a sense of belonging. In a club, you're not just a member; you're part of a community where your voice matters, where friendships flourish, and where your dreams find encouragement. So, why hesitate? Embrace the opportunity – join our club today and let the adventure begin! We have several roles available for the 2024 season and our club would really appreciate the extra team members.

Survey Outcomes

Thank you to everyone who completed the BUFC 2023 survey. The committee will be working through the feedback and coming up with strategies to address what we can. I would really like to share some of the feedback with you all.

“Very welcoming and friendly and encouraging. My child really enjoyed the season which I think shows how good it was. Great coach and great people running things. I felt part of the club. When I helped out in canteen, I was welcomed, shown the ropes and I felt included, even though I was new to the club, I didn't feel like an outsider.”

“Great coaches”.

“Great team culture”.

I love the extra communication that we receive over the season with the newsletter etc

“The results show 100% of people were really happy with the season they had.

Here's some more interesting stats for you.

- 87% of people agreed the club was communicating well, and further feedback indicated the newsletter was popular.
- 63 % of people said they would likely be returning in 2024 with 82% of people saying they will continue in the roles they were already doing.
- Reassuringly 65% of people said they would be willing to volunteer in the club in one of the various roles. With the remaining 35% of people happy to pay a volunteer fee.

Thank-you again to everyone who participated in the survey, we really appreciate all the positive and constructive feedback we received. To those people who have indicated they can take on roles this year we will be in touch.
